

```
var img=document.createElement("img");
img.src="img/wdfj.gif";
img.style.left="100px";
img.style.top="100px"
document.getElementById("showdiv").appendChild(img);
```

//创建函数

```
function planemove(event) {
    //创建event对象
    var eve =event ||window.event;
    //获取坐标
    var x=eve.clientX-400;
    var y=eve.clientY;
    //动态修改飞机的位置
    img.style.left=x-33+"px";
    img.style.top=y-40+"px";
    if(x<0) {
```

```
document.removeEventListener("mousemove", planemove, true);
    }
}
```

```
document.addEventListener("mousemove", planemove, true);
```
